Notification for all PG students

It was decided in the last Board of Governors (BoG) meeting to collect **Rs.600/-** for conducting Tharangam, Sports Cup and other technical & non-technical activities. All PG students are requested to contribute the above mentioned amount on or before 6th February, 2020. All class representatives are requested to collect the amount and hand it over to Year Wise Coordinators of PG Association. Students who are interested in buying custom made T-Shirts for Tharangam can give **Rs.250/-** with their name and size to the Year Wise Coordinators.

To avoid intransparency and future disputes , BoG has authorised the Treasurer (**Vibin M.V, M4, M.Tech-ME**) to keep proper details of the money received and to give receipts to the students who paid. Let us all join our hands to make our endeavours a big success.
